We Are SME

sme | membership

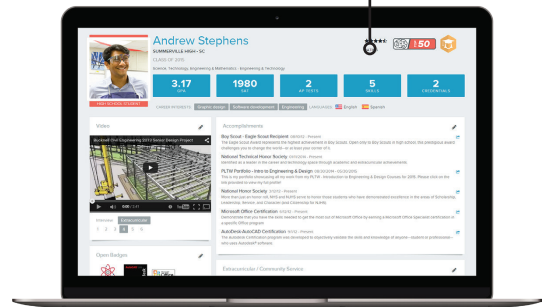

JOIN SME AND GET CONNECTED

SME uses STEM Premier® to engage membership and allows high school members to connect with opportunities in college and industry.

STEM Premier is a platform where SME members can build virtual portfolios displaying their academic and technical STEM and CTE skills, see how they stack up against other students, and connect directly with colleges, companies, and SME member organizations.

Join SME and build your profile today.

STEM Premier profile

Benefits To **SME Members**

Connectivity

SME members can be messaged **directly**, **recruited** by colleges, companies and organizations within STEM Premier.

Analysis

STEM Premier evaluates individual achievements and shares comparison data on state and national levels.

Organization

SME members build virtual portfolios* that organize and showcase everything about themselves - skills, test scores, and more.

Guidance

We offer recommendations and resources to foster career growth and help SME members optimize their individualized profile.

Recognition

High school SME members can be rated & ranked** and showcase digital badges such as the **SME Membership digital badge**.

Scholarships

SME members can discover and match up with SME Education Foundation scholarships and financial aid through **Red Kite®**.
