

## Lean Gold Certification Accomplishment Record Requirements and Forms

**NOTE: You must have passed your Lean Gold exam before you can submit your Gold Accomplishment Record.**

You will need a copy of the [Lean Gold Certification Blueprint](#) at hand as you complete your Accomplishment Record. It may also be helpful to have a copy of the [Lean Certification Competency and Behavior Model](#) and Lean Certification Body of Knowledge for reference.

Lean Gold Certification is focused on strategic (enterprise) lean. This is a lean transformation of a business or organization.

For purposes of this certification:

VALUE STREAM is defined as any process that has a defined customer and supplier (including internal), material flow and information flow. The process should include multiple operations or tasks that require the use of several people, machines, or equipment.

## Submitting Your Accomplishment Record

To submit your Accomplishment Record, [log into your SME Customer Account](#), or create a new account, in the upper right hand corner of the homepage ([sme.org](#)). If you need assistance, call SME Customer Care at 800.733.4763 or 313.425.3000, Monday through Friday, 8:00 a.m.–5:00 p.m.

1. After signing in, click View Your Profile (located in upper right hand corner of the webpage).
2. Under My Account, on the left side of the webpage click Portfolio Submission under Certification.
3. At the bottom of the webpage click New Submissions.
4. Click Start to the right of the Accomplishment Record you are submitting (Gold).
5. Enter the Title of your submission (i.e., Lean Gold Accomplishment Record).
6. Select Lean Portfolio for the category.
7. You do not need to enter or select from Length in Minutes or Audience Level of Expertise.
8. Topic Options will automatically list the portfolio selection you made when you started your submission.
9. Primary Topic will automatically populate after selecting Topic Option.
10. For Keywords, select the keyword for the Accomplishment Record you are submitting then Save and Continue.
11. Verify or update your personal information then select Save and Continue then Go.
12. In the Word text box, add a note about your Accomplishment Record (i.e., Lean Gold Accomplishment Record, first submission). Text must be entered in this field to proceed.
13. Click Choose File and select your Accomplishment Record file. Please use this naming convention for your file: CustomerID-Last Name First Name-Accomplishment Record Gold.
14. Click Upload.
15. Type Yes in the text box to agree to the terms and conditions.
16. The Usage Questions section is not applicable for portfolios. Please make sure all questions are answered no then click Save and Continue.
17. Verify your submission details and contact information. If everything is accurate, click Submit.

An email acknowledgement will be sent when your portfolio is received. If you do not receive an acknowledgement within 48 hours, please assume your Accomplishment Record was not received. Report any upload difficulties to [certification@sme.org](mailto:certification@sme.org) or call SME Customer Care at 800.733.4763 or 313.425.3000. Review of your Accomplishment Record may take up to 60 days to complete.

## Education, Training, and Development Documentation

Please document the lean-related education, training, and development activities in which you have participated. They may include training (public or company–sponsored), conference attendance, hands-on workshops, books, videos, etc.

The Education, Training, and Development requirement for the Lean Gold Certification is 240 hours. If the candidate has previously obtained the Lean Bronze Certification and/or the Lean Silver Certification, the hours of education, training, and development documented for those certifications are applicable to the Lean Gold Certification. For example, if the candidate has previously obtained the Lean Bronze Certification and the Lean Silver Certification, the 160 total hours of education, training, and development earned in completing these certifications is applicable toward the Lean Gold Certification. This means a candidate with a Lean Bronze Certification and a Lean Silver Certification requires just an additional 80 hours of education, training, and development when applying for the Lean Gold Certification. A candidate that has not previously obtained the **Lean Bronze Certification** or **Lean Silver Certification** must document a total of 240 hours of education, training, and development.

Education, training, and development documentation **MUST** demonstrate continuing investment in your lean education over time. For example, if you started your lean journey in 2001, you should illustrate how you've invested in your education, training, and development from 2001 to the present.

Your education, training, and development for the Lean Gold Certification should include five (5) of the various categories of professional development activities listed below.

NOTE: Each category must not exceed a total of 96 of the 240 hours required (40% of the total requirement).

Indicate the parts of the Lean Certification Body of Knowledge covered in the training you've documented by placing X's in the appropriate columns of the Lean Certification Body of Knowledge categories. Please refer to the [Lean Certification Body of Knowledge](#) for the topics covered under each major category.

NOTE: If you are including Kaizen events or other "hands-on" events in this section, they may not be used for your portfolio projects. You may only count each activity or event one time within your portfolio.

# Education, Training, and Development Form

Please enter your education, training, and development activities in the form below. The number of hours will sum automatically. You can download the Lean Certification Body of Knowledge at [sme.org/leanbok](http://sme.org/leanbok).

Note: You are seeking a Lean Certification, so while Six Sigma, Balanced Scorecard, Leadership Development, and other activities are certainly relevant, they should not dominate the education, training, and development activities you list below to the exclusion of lean activities.

Place an "X" in the cells below to indicate the following Lean Certification Body of Knowledge areas covered by your education, training, and development activities.  
(See the *Lean Certification Body of Knowledge* for topic details.)

Education, Training, and Development Activities (Descriptions)	Year	Hours	Cultural Enablers	Continuous Process Improvement	Consistent Lean Enterprise Culture	Business Results
<b>If submitting a single activity for more than 20 hours of credit, provide an outline of the course/activity explaining its content.</b>

## Lean Gold Certification Accomplishment Record

A form for you to highlight your experiences relevant to Lean Gold Competencies

### From the Certification Oversight and Appeals Committee:

Our Goal is to make you successful in your Lean Career. The Accomplishment Record is designed to showcase your competencies and behaviors relative to your desired category of Lean Certification in accordance with the **Blueprint Terminal Learning Objectives** (TLO) and associated Body of Knowledge elements. We **strongly** recommend you to **read** all the TLOs associated with each competency **before** you commence your narration. This way you will determine the best way to describe your competency, even though you will not 'hit' every TLO. Each competency should be written in the form of an Executive Summary.

<b>Date Submitted (MM/DD/YY)</b>	
<b>Name (First Last)</b>	
<b>Email address</b>	
<b>Phone</b>	

### Instructions for describing your Accomplishments relevant to Lean Gold Certification

On each of the following pages, you will be presented with a competency needed by Lean Gold professionals. For each competency, review the description and provide a narrative of your accomplishments related to the competency. In your description, please emphasize the quality of your accomplishments and results you have achieved, rather than the jobs you have held or tasks you have completed. Be sure to describe what **YOU** did rather than what the team did. The past accomplishments you describe may be specific, such as challenging assignments or projects that you successfully completed, or they may be broader examples of sustained high performance in your daily work. You should describe the quality of your accomplishment(s) including (a) how it relates to the specific competency and (b) its scope and impact.

For each accomplishment, please provide the information requested:

- **Dates activities conducted:** The start and end dates of the time period during which the activities were performed.
- **Background:** General statement of the situation or circumstances surrounding what you accomplished/achieved.
- **Precise Description:** A precise description of exactly what **YOU** did (the activities you performed, duties, and responsibilities).
- **Outcome:** The outcome, results, or long-term impact of your accomplishment(s). These outcomes may be indirect but it is important to describe such outcomes. Include the grade you received if your accomplishment was in an educational or training setting.
- **Verifiers (at end):** Name and contact information for two people who can provide substantiation of either your competencies or speak to your credibility.
- **Relationship to Verifiers:** Whether these people were your supervisor, co-worker, friend, instructor, chairman of a committee, etc. Do not use a spouse or a close relative (father, mother, etc.) or a person who is presently a direct subordinate as a verifier.

**Note: Provide names and contacting information only for individuals that may be contacted by SME.**
